Sir:

In response to the Office Action dated November 23, 2004, please consider the remarks as submitted herewith on the accompanying pages.

REMARKS

Initially, Applicants thank the Examiner for acknowledging receipt of, and accepting the two (2) sheets of drawings filed on August 7, 2003.

Claims 1-13 are all the claims pending in the application. Claim 1 is an independent claim. Claims 1-13 stand rejected under 35 U.S.C. § 103(a) as being unpatentable over Nishikawa (US 2002/0034028A1) in view of Nishikawa (US 2002/0051306A1). For ease of reference, these references are denoted Nishikawa '028 and Nishikawa '306, respectively (or the "Nishikawa references" collectively). For the following reason, Applicants respectfully traverse this rejection.
